

GRATES

SPECIFICATION

These grates are made of high-impact plastic. All materials include additives that inhibit ultraviolet sun rays from degrading the grate. The Dome Grate openings are large enough to use these products on 2", 3" 4" drains. Flat Grates have openings to accommodate 2", 3" and 4" pipe sizes. The Round Grate area will accommodate all pipe sizes through 8". Screws are offered with each grate and tamper-proof screws can be ordered to reduce problems of vandalism (special order).

PATENT NO. 4,400,272

MATERIAL FEATURES

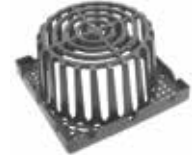

- All are made of high-impact plastic materials
- Made in North America

COMPLIANCES/LISTINGS

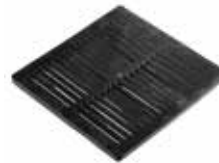

- IAPMO 4192; ASME A112.6.4-2003 (R08)/UPC/IPC
