

Value Engineered **QUARTER TURN BALL VALVES**

Quick and easy quarter turn shut off. Value engineered nickel plated brass ensures durability at optimized value. Innovative connection designed to eliminate additional leak paths.

- Ball style valve will not freeze up
- PTFE seats for extra wear resistance
- Chloramine/chlorine resistant o-rings will not break down due to oxidation
- 3/8" compression nut & ferrule sold separately if needed (P-06706)
- One year limited warranty
